If I could do that I wouldn't be rotting here!!!
Would you like to go on a walk on Earth?
Oh really...?
If you send it to the Earth it will cast your hologram does and says what ever you say
and also lets you see where your hologram is as if you where there yourself!
It's a small hologram projector!
You can do it with this

I got the 1st Power Stone!
I did it!
Now that Crash has gotten the Power Stone from the Turtle Family
Calm down, Coco!
First you went missing and then you called me!
Oni-chan!
Crash, where do you think we should to next ?
It was way too easy for me!
I still can't believe we got our hands on the Stone
What ever I'm leaving!
See ya!

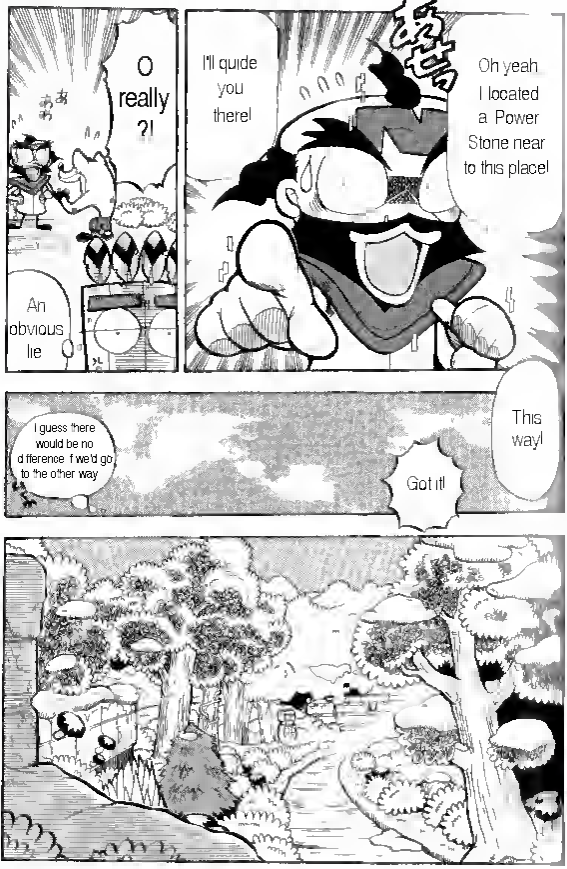
See ya!
You really didn't have to!



O really ?!
An obvious lie
I'll guide you there!
Oh yeah I located a Power Stone near to this place!
This way!

I guess there would be no difference if we'd go to the other way

Eh?! Seriously ??
ボリボリ
Crash! He's obviously leading us to some kind of trap!
Cortex~?
Are we there yet~?
A Almost!
All I'd need is some old ruins But

だっ
It's good that I've lead them this far away
!
Huh? This is odd it should be right here

RUINS?!
OH MY GOD !!!
In the south of Tasmania an ancient civilization used to exist
Talking about ruins think I've heard of these ones!
